

Friends of Coram Deo Academy 2004-2005 Annual Gifting Campaign

December 2004

Thank you for your generous response to the October gifting letter by contributing \$12,186. With it we purchased additional basketball goals, gained confidence to lease two new fifteen passenger vans for athletic and field trip transportation and are planning for the proper use of contributions for other kinds of opportunities as the school year progresses. If you are able, we welcome your end of year contribution to the ongoing qualitative development of your children's education.

Coram Deo Academy is a K-12 day school educating students in a historic Christian worldview through a rigorous classical curriculum. Maturing from a program with fifty seven students in 1999 to a lively school with full educational offerings CDA now operates on three campuses in two separate DFW communities; serves four hundred twenty eight families and six hundred seventy students from forty five municipalities that attend one hundred sixty one different churches. The Academy employs fifty eight full and part time faculty and staff to carry out its mission. While tuition paid by families supports basic operations, ongoing growth and qualitative development is supported by generous individuals and companies/foundations who believe in the work and desire to see it prosper. Please join us as we seek qualitative and quantitative development through the Friends of Coram Deo Academy.

Giving Category	Description	\$ 2003-2004	\$ 2004-2005
Providing for Pillars	Funding long-term retention and enrichment of outstanding faculty to advance the educational program of CDA. Extraordinary faculty need some time for professional development and to pursue scholarship and writing in ways tuition cannot currently support.	7,525	875
Athletics	Funding better equipment, buses and improved access to facilities through Coram Deo Open sponsors and Athletic Boosters. Each receives a family season ticket to home games and more. Gold Booster - \$200. Silver Booster - \$150. Bronze Booster - \$100.	6,731	6,890
North Dallas Campus Start	This fine campus needs an outdoor playground system for the younger students to enjoy on breaks and at lunch. It would be a great blessing to them for the upcoming three years and maybe beyond.	13,740	2,350
Extension Campuses	Start up funding for Coram Deo Academy's next campus location. CDA has received requests for schools in Dallas, Forth Worth and the Mid-Cities. We would like to target one location for the 2006-7 school year when start up funds of about \$50,000 and other factors come together.	Reflected Above	
Student Tuition Assistance	Providing for qualifying families who need help to continue the education of their children at Coram Deo during temporary financial hardship. Coram Deo also sets aside 1% of total tuition income for this purpose.	4,417	900
Lab, studio and media equipment	Improved equipping for science labs, art studios and multimedia presentations enhances the quality of CDA offering for the students.	2,125	50
Undesignated	Will be used by CDA in the improvement of its programs through any one of the above categories.	13,922	1,121
Total			12,186
